## EXCELSIOR!

CHICKERING & SONS' PIANOS.

TELLS NEW SCALE OF THEIR LATEST  
AND BEST INSTRUMENTS.

I received of Meats, Chickering & Sons the SOLE AGENCY in the STATE OF KENTUCKY for the sale of their New Scale of Instruments, which have just opened and have ready for inspection the most superb assortment of their Instruments ever brought to this country. They are made of the finest woods, Grand, and Squares, of truly exquiste tone and finish.

These are the true of their Instruments with the new scale of instruments, which are far superior to any ever before to their old scale or any instruments this celebrated firm has made.

Fathers were entertained in command of them, as the prominent position and unbounded popularity they have so long enjoyed affords an unavoidable attraction.

We extend to the profession and all who feel interested a cordial invitation to call at our warerooms and examine these.
